

# Live Event Painting Services

Hi there! I'm Gleimi De Jesus, a passionate artist with 7 years of creating under my belt. I specialize in live event painting, turning your wedding, party, or gathering into a lasting masterpiece.

2. **Second Booking:** Get **30% off** your live painting service (travel fees not included).
3. **Third Booking:** Enjoy **15% off** your live painting service (travel fees not included).

All bookings include a **30-minute minimum consultation**, where we'll lock in your date and discuss the moment you'd like to capture. Don't miss out on this unique opportunity to create something extraordinary at a fantastic value!

## What I Offer

- **Live Event Painting:**
- Whether it's a wedding, a birthday, or a celebration with friends, I'll create a live acrylic painting of your chosen scene during the event. Watching the painting come to life adds a unique, memorable touch for you and your guests!
- **Custom Acrylic Artwork:**
- Using high-quality acrylic paints on a handmade canvas, I'll craft a stunning piece that captures the joy and emotion of your day.
- **Canvas Options:**
- Choose from these sizes to fit your preferences and space:
  - 11" x 14"
  - 16" x 20"
  - 20" x 24"
- Larger canvases come with additional costs, but they're perfect for capturing intricate details or grander scenes (This option is available for longer events, details can be ironed out through discussion).

## Commission Paintings

In addition to live event paintings, I also offer **commission paintings** for clients who want to capture past moments. Whether it's a cherished photo, a family portrait, or a special place, I can create a beautiful, hand-painted memory for you.

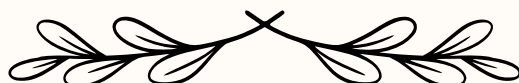

- **Commission Paintings Starting at \$1,000**
- This includes a custom acrylic painting on canvas based on your chosen reference photo or idea. The final painting will be a timeless piece you can display and treasure forever.

## Additional Customization Options

- **Adding Special Guests:**
- Want to include pets, loved ones who couldn't make it, or any other special guest in your painting? I can add them for a small additional fee:
  - **\$50** for adding pets
  - **\$150** for adding an additional person in detail

## How It Works

1. **Consultation:**
2. Before the event, we'll discuss what moment you'd like captured. You'll also select the canvas size and talk about any special details you'd like added.
3. **Event Day:**
4. I'll arrive 2–3 hours before the event (depending on what's allowed by the venue) to set up and get started. Once your event is underway, I'll take reference photos to ensure every detail is perfect.
5. **The Painting Process:**
6. The majority of the painting will be completed live at your event. Afterward, I'll spend 4–5 weeks refining and perfecting it to ensure it meets the highest standards.
